April 11, 2002

The documents on this index may be responsive to one or more of the following requests made to the Federal Energy Regulatory Commission for Enron-related documents under the Freedom of Information Act (FOIA), 5 U.S.C. § 552: FY02-26 (Judicial Watch I), FY02-43 (Associated Press), FY02-61 (Los Angeles Times), FY02-64 (Judicial Watch II), FY02-65 (Wall Street Journal), FY02-74 (Bloomberg), FY02-84 (Washington Post), FY02-105 (San Diego Union Tribune) and FY02-107 (Betsy Miller). Because some of the items on this index have been sought by more than one requester, FERC has made them available in the Public Reference Room.

Members of the public may request documents from the Public Reference Room by mail, by fax at 202-208-2320, or by e-mail directing it to public.referenceroom@ferc.gov All document requests must be in writing. As provided in the Commission's regulations at 18 C.F.R. § 388.109(a)(4), the charge for documents is 15 cents per page. A companion index of Enron-related documents that FERC has withheld or intends to withhold will be posted in the near future.
