Volume 5 | October 2019

[October 2019 Highlights](#)

The FERC insight gives you a monthly snapshot of FERC news – you get the latest news from the monthly Commission meeting and schedules for upcoming conferences and Commissioners’ speeches/presentations, as well as links to Commission orders, notices and new reports.

[EnVision Forum](#)

FERC and the University of Kentucky hosted the inaugural EnVision Forum in Lexington, Kentucky, on Oct. 21. The event brought together new voices in the energy world to find solutions to the challenges posed by the market and fuel transitions that are changing the face of the energy industry.

Commission Meeting Room Dedication

FERC dedicated the Commission Meeting Room at the Washington, D.C., headquarters in honor of former Chairman Kevin J. McIntyre at a ceremony on Friday, Oct. 11.

“I’m proud to honor Kevin’s legacy by dedicating our Commission Meeting Room to him,” Chairman Chatterjee said. “It will always serve as a reminder of a man who, even in such a short time, had such a profound effect not only on FERC, but on everyone whose lives he touched.”

The celebration of the legacy of Chairman McIntyre included welcoming remarks by friend and colleague Martin Kirkwood of the Office of the General Counsel. Rev. Chris Steck, S.J., from Georgetown University, presented the Invocation.
