

August 25, 2003

Subject: Date and Location of Tribal Consultation Workshop

To The Parties Addressed:

In our letter dated May 28, 2003, we announced a workshop to orient hydropower license applicants on effective consultation with Indian tribes. The workshop is scheduled for November 6 and 7, 2003. It will be held in the Commission's office building, located at 888 First Street, NE, Washington, DC, 20426, meeting room 3M A\B.

We have enclosed a questionnaire for you to complete. Answering the questions will assist us in planning the agenda and panel discussions for the workshop. Please complete the questionnaire and return it directly to me at: Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC, 20426.

We are encouraged by the amount of interest shown by licensees on this subject and your willingness to take time out of your busy schedule to attend the workshop. We look forward to your participation. Please contact John Costello at (202) 502-6119 or e-mail at tribalconsultationworkshop@ferc.gov if you have any questions concerning the workshop. In addition, information about the workshop is available on the Commission's web site at <http://www.ferc.gov/industries/hydropower/enviro/tribal-workshop.asp> (note that this is a new web address). The agenda and other relevant material will be posted on the web site as it becomes available. You may register for the workshop on line at http://www.ferc.gov/whats-new/registration/tribal_1106-form.asp.

Sincerely,

John Costello
Division of Hydropower -
Environment and Engineering

Questionnaire for Tribal Consultation Workshop

(1) If you know, please tell us which tribes you need to consult with.

(2) What experience have you had in tribal relations?

(3) What has worked well and why?

(4) What has not worked well and why?

(5) What would you like to get out of this workshop?

Answering the above questions will assist us in planning the agenda for the workshop. Please complete the questionnaire and return it directly to John Costello at: Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC, 20426.
