Dear Counsel:

1. On February 7, 2008, the Commission issued a letter order approving a settlement submitted in the captioned dockets.¹ The settlement addressed certain rate filings and complaints regarding SFPP, L.P.'s (SFPP) East Line rates. The February 7 letter order stated that the settlement terminated the captioned dockets because all issues in those cases were resolved by the settlement.
2. On March 10, 2008, Indicated Shippers filed a request for clarification or rehearing stating that the settlement at issue did not resolve the issues in all of the captioned dockets. Specifically, they assert that for Docket Nos. OR07-20-000, IS06-356-000, and IS07-229-000 the settlement resolved the relevant issues only for the East Line rates for the period from June 1, 2006 through and to November 30, 2007. SFPP filed a statement agreeing that the settlement was limited to the East Line rates in the three dockets listed by Indicated Shippers.
3. The Commission agrees that the February 7, 2008 letter order should have stated that the settlement resolved issues in Docket Nos. OR07-20-000, IS06-356-000, and IS07-229-000 only for the East Line rates for the period from June 1, 2006 through and to November 30, 2007. The February 7, 2008 letter order is modified accordingly.

By the direction of the Commission.

Kimberly D. Bose,
Secretary.
