

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

State of the Natural Gas Infrastructure Conference

Docket No. AD08-12-000

SUPPLEMENTAL NOTICE OF COMMISSION CONFERENCE

(November 14, 2008)

On October 7, 2008, the Federal Energy Regulatory Commission (Commission) issued a notice announcing a conference in this proceeding, to be held on November 21, 2008 (October 7 Notice). As mentioned in that notice, the focus of the conference is on natural gas demand and supply issues as they relate to the development of the domestic natural gas industry and the effect upon infrastructure. The Commission has invited industry representatives to provide perspectives and comments. The agenda for the conference is attached.

As noted in the October 7 Notice, the conference will be held at the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426 in the Commission Meeting Room (2-C) from 9:30 AM until 12:30 PM (Eastern Standard Time). All interested parties are invited, and there is no registration required.

This conference will be transcribed. Transcripts of the conference will be immediately available from Ace Reporting Company (202-347-3700 or 1-800-336-6646) for a fee. A free webcast of this event is available through www.ferc.gov. Anyone with internet access who desires to view this event can do so by navigating to the Calendar of Events at www.ferc.gov and locating this event in the Calendar. The event will contain a link to its webcast. The Capitol Connection provides technical support for the free webcasts. It also offers access to this event via television in the Washington, DC. area and via phone-bridge for a fee. If you have any questions, visit www.CapitolConnection.org and click on "FERC" or call 703-993-3100.

Commission conferences are accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations please send an e-mail to accessibility@ferc.gov or call toll free 866-208-3372 (voice) or 202-208-1659 (TTY), or send a FAX to 202-208-2106 with the required accommodations.

Questions about the conference should be directed to Raymond James by phone at 202-502-8588 or by email at raymond.james@ferc.gov.

Kimberly D. Bose,
Secretary.

**STATE OF THE NATURAL GAS
INFRASTRUCTURE CONFERENCE
November 21, 2008**

Agenda

9:30 a.m. Opening Remarks

Chairman Joseph T. Kelliher, Federal Energy Regulatory Commission
Commissioners

9:45 a.m. Natural Gas Demand

- **How do the traditional sectors of natural gas consumption – residential, commercial, industrial, and power generation – view their future natural gas demand?**
- **What is the effect of price increases and price volatility on natural gas demand?**
- **What are the consequences of climate change policies and carbon legislation upon natural gas demand?**
- **If no legislation is imminent, what is the cost of uncertainty upon natural gas demand?**

Panelists:

Thomas Skains, Chairman, President, CEO, Piedmont Natural Gas Company; Chairman, American Gas Association

Dena Wiggins, General Counsel, Process Gas Consumers Group; Partner, Sutherland

Revis James, Director, Energy Technology Assessment Center, Electric Power Research Institute

Edison Electric Institute (Invited)

10:45 a.m. Natural Gas Supply

- **What is the effect of the production of shale gas upon the natural gas supply of the U.S.?**
- **Will this development offset the losses in traditional natural gas supplies?**

- **What changes should we expect in natural gas imports from Canada?**
- **Given the advent of shale production, what is the future of LNG in the U.S.?**
- **Could the current financial situation impact the development of natural gas infrastructure, thereby limiting access to natural gas supplies?**

Panelists:

Terrence Ruder, Senior Vice President, Marketing and Midstream Division, Devon Energy Corporation

David (Clay) Bretches, Vice President, Marketing & Minerals, Anadarko Petroleum

Claire Burum, Senior Vice President, Regulatory Affairs, NiSource Gas Transmission & Storage

John McCarthy, Business Unit Leader, Commodities, National Energy Board of Canada

Zachariah Allen, President, Pan EurAsian Enterprises, Inc.

12:15 p.m. Closing Remarks

12:30 p.m. Adjourn
