UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

MIGC LLC

Docket No. RP12-122-000

NOTICE OF FINALITY OF INITIAL DECISION

(June 25, 2012)

Rule 708 of the Commission's rules of practice and procedure¹ provides that an initial decision becomes a final Commission decision 10 days after exceptions are due unless exceptions are timely filed or the Commission issues an order staying the effectiveness of the decision pending review under Rule 712.² The Commission hereby gives notice that it will not take action on the Administrative Law Judge's initial decision terminating the proceeding issued herein on May 16, 2012,³ to which no exceptions have been filed, thereby allowing the initial decision to become a final Commission decision.

By direction of the Commission. Commissioner Clark is not participating.

Kimberly D. Bose,
Secretary.
