Massachusetts Department of Public Utilities

NOTICE OF INTENT NOT TO ACT

(August 29, 2012)

1. On July 1, 2012, CALifornians for Renewable Energy, Inc., along with Michael E. Boyd and Robert M. Sarvey individually (collectively, Petitioners), filed a petition for enforcement pursuant to section 210(h)(2) of the Public Utility Regulatory Policies Act of 1978 (PURPA), 16 U.S.C. § 824a-3(h)(2) (2006), against the Massachusetts Department of Public Utilities (Massachusetts Commission), Massachusetts Electric Company and Nantucket Electric Company each d/b/a National Grid, and Cape Wind Associates, LLC. Petitioners allege that certain Massachusetts Commission actions are inconsistent with PURPA.

2. Notice is hereby given that the Commission declines to initiate an enforcement action under section 210(h)(2)(A) of PURPA. Our decision not to initiate an enforcement action means that the Petitioners may themselves bring an enforcement action against the Massachusetts Commission in the appropriate court.

By direction of the Commission.
