Pacific Northwest, Including Parties to the Western System Power Pool
Agreement

Dear Counsel:

1. On August 6, 2012, PPL Montana, LLC (PPL Montana) and PPL EnergyPlus,
LLC (PPL EnergyPlus) (collectively, PPL Parties) and the City of Tacoma, Washington

(Tacoma) filed an Offer of Settlement, including a Settlement and Release of Claims Agreement (Settlement), which would resolve all outstanding issues between Tacoma and the PPL Parties in the above-referenced proceeding.

2. Initial Comments on the Settlement were filed by Commission Trial Staff on August 23, 2012, and Reply Comments were not filed. The Settlement Judge certified the Settlement to the Commission as uncontested on September 4, 2012.¹
3. The Commission finds that the Settlement appears to be fair and reasonable and in the public interest, and it is hereby approved.
4. This letter order terminates Docket No. EL01-10-101.

By direction of the Commission.

Kimberly D. Bose,
Secretary.
