Re: Apex Power Marketing, Inc.
Notification of Change in Status
Docket No. ER(insert original root docket number)-_____
In compliance with Commission order issued (insert date of Commission order
authorizing market-based rates)

Dear Ms. Salas:

Apex is reporting the following change in status that reflects a departure from the facts relied upon by the Commission in the grant of market based rate authority:

An affiliate of Apex, Apex Two, has purchased a 25% interest in a 10 MW qualifying cogeneration facility located in Ukiah, California. Since the entire output of this facility is fully committed under long-term contract, the acquisition should have no impact on Apex's authority to charge market-based rates.

If you require any additional information or have any questions regarding this filing, please contact me at 202-555-1212.

Please file stamp and return one copy of the cover letter, using the enclosed stamped self-addressed envelope.

Sincerely,

Cynthia F. Kilowatt
Vice President
