RE: Authorization to Commence Service

Dear Mr. Morris:

I grant your June 1, 2009 request to commence service from the liquefied natural gas import terminal in Cameron Parish, Louisiana. Your request is in compliance with Environmental Condition 7 in the Commission's Order Issuing Certificates and Granting Request for Rehearing (Order) issued on September 11, 2003, in the above-referenced docket. Based on my staff's inspection on June 22 - 28, 2009, and your supplemental filing on July 29, 2009, Cameron LNG, LLC (Cameron) has satisfactorily addressed the items needed to commence service, and rehabilitation and restoration of the facility site is proceeding satisfactorily.

I remind you that Cameron must comply with all applicable remaining terms and conditions of the Order.

Sincerely,
