

Location: Feature No. is located on the fencing and pedestrian gates that secure the fish lock on the right abutment.

Feature Description: Feature No. is a warning sign, twenty-four (24) inches wide by eighteen (18) inches high and made of aluminum. The sign is attached to the fencing and pedestrian gates and are elevated approximately five (5) feet above the ground. The signage is composed of red and black lettering over a white background.

Notes:

PO-27

SIGN:

Danger Vertical Drop Off

COMMENT:

Specialized signage for high dams. Example of safety plan sign design/placement sheet. Sheets list the feature #, # of signs, year installed, location, and design details. Notes indicate sign and font sizing.

RECOMMENDATION:

None.

SIGN:

Notice No Trespassing Keep Out

COMMENT:

Addition of "No Trespassing" text may allow for legal enforcement unlike symbol only style signage in some areas.

RECOMMENDATION:

None.
