

G-1

SIGN:

Warning Absolutely No Motorized Vehicles, Keep Dogs on Leash

COMMENT:

Standardized safety signage on interpretive bulletin boards can increase viewer recognition.

RECOMMENDATION:

Add company contact information to standardized signs. Keep print small enough so logo does not interfere with sign readability.

G-2

SIGN:

State Park Boundary..., No Camping, No Swimming, No Fires

COMMENT:

Combination of symbol and text messages may allow legal enforcement of prohibition, unlike symbol only signage.

RECOMMENDATION:

Make sure attachment method is not harmful to trees.
