

G-47

SIGN:

Dumping Station Instructions 1. Connect your hose to trailer holding tank.....

COMMENT:

USACE sign design for dumping stations. Gives step by step instructions that prevent users from creating unsanitary or dangerous conditions. Use of well designed symbols immediately next to direction text increases effectiveness.

RECOMMENDATION:

None.

G-48

SIGN:

Drinking Water Only Not to be Used For Flushing Tanks

COMMENT:

Identifies accepted and prohibited uses for water. May reduce the possibility of a user causing a health risk. Use of symbol increases glance legibility. Notes on left and top of sign show proportion/scaling design information according to USACE guidelines (see appendix A).

RECOMMENDATION:

Include site on maintenance schedule if necessary to prevent health risk.
