**Re: Panther Interstate Pipeline Energy, LLC  
Quarterly Index of Customers, 18 C.F.R. § 284.13(c)**

Dear Secretary Bose:

Pursuant to 18 C.F.R. § 284.13(c) (2015), interstate natural gas pipelines are required to file on the first business day of each calendar quarter “an index of all . . . *firm* transportation and storage customers under contract as of the first day of the calendar quarter” (emphasis added). Out of an abundance of caution, Panther Interstate Pipeline Energy, LLC is filing this letter to notify the Federal Energy Regulatory Commission that it does not currently provide service to any firm customers.

Thank you for your attention to this matter. Please do not hesitate to contact the undersigned at (202) 429-8801 if you have any questions or concerns regarding this filing.

Respectfully submitted,

/s/ Douglas F. John
