

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Before Commissioners: Pat Wood, III, Chairman;
William L. Massey, and Nora Mead Brownell.

Southern Star Central Gas Pipeline, Inc.

Docket No. CP02-416-002

ORDER DISMISSING APPEAL

(Issued August 20, 2003)

On July 21, 2003, Mr. Rex Chambers filed a pleading styled as an appeal of the Commission's order in this docket issued on July 14, 2003. In his pleading Mr. Chambers objects to the route of the Southern Star pipeline across his property.

In the July 14 order, the Commission denied Mr. Chambers' motion for late intervention. The July 14 order also addressed Mr. Chambers' arguments and denied his request for route modification. Because Mr. Chambers' petition for late intervention was denied by the July 14 order, Mr. Chambers is not a party to the proceeding and his appeal challenging the route of the pipeline is therefore dismissed.

The Commission orders:

The pleading filed by Mr. Rex Chambers on July 21, 2003 is dismissed.

By the Commission.
