

DETAILED DIRECTIONS TO CROWN LANDING SITE

From the Philadelphia area take I-95 to Rt. 322 to NJ (via the Commodore Barry Bridge) take the first left after crossing the bridge which is Route 130. Stay on Route 130 south for about 4 miles and you will see the sign for the entrance to the Logan Station on your right and you will also see the power plant from Rt.130 as you approach the entrance which is in Logan Twp, NJ. Turn right into the power plant entrance and park to the left of the guard booth of the power plant.

From NJ or points south of Wilmington, Delaware take I-295 to exit 10. At exit 10 go west on Center Square Rd. which ends at Route 130. Take a left. The entrance to the power plant is about a quarter mile on the right. Turn right into the power plant entrance and park to the left of the guard booth of the power plant.
