Baker River Project, P-2150

Location: U.S. Army Corps of Engineer's District Office
Fairmont Room, 2nd floor, end of hallway at D-15
4735 E. Marginal Way South
Seattle, Washington 98134

March 16, 2005; 9:00 a.m. to 5:00 p.m.

I. Introductions

- * Corps Cooperating Agency Status

II. Flood Control Measures in Settlement Agreement & Revised License Application

- * Interim Protection Plan
- * Proposed Article 106
- * Proposed Article 107
- * Section 4.1.1

III. Other Measures in Settlement Agreement and Revised License Application

Note: Commission and Corps staff intend to discuss the project's proposed operation for flood control and related issues during the first half of the day; otherwise the schedule will remain flexible. Breaks and lunch will be scheduled as needed.

March 17, 2005: 9:00 a.m. to 5:00 p.m.

A second day has been reserved in case Commission staff, the Corps, or other stakeholders need additional time to discuss individual proposed license articles or other issues raised during the technical conference.
