

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Florida Gas Transmission Company

Docket No. CP05-64-000

NOTICE OF SITE VISIT

(March 22, 2005)

On March 29, 2005, the Office of Energy Projects (OEP) staff will conduct a pre-certification site visit of the Florida Gas Transmission Company's (FGT) Turkey Point Project in Miami-Dade County, Florida. We will examine portions of the proposed project in the Miami Springs area by automobile and on foot. Representatives of FGT will be accompanying the OEP staff.

All interested parties may attend. Those planning to attend must provide their own transportation. Those interested in attending should meet at the proposed compressor station site at 10:00 am at the following location:

Corner of NW 62nd St. and NW 69th Ave.
Miami, FL 33166

For additional information, please contact the Commission's Office of External Affairs at 1-866-208-FERC.
