Filing Requirements for Paper and Electronic Filings

Those who wish to file written comments may do so in paper format or electronically. Those filing electronically do not need to make a paper filing.

For paper filings, the original and 8 copies of the comments should be submitted to the Office of the Secretary, Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426. Paper filings should, at the top of the first page, refer to Docket No. AD05-6-000. The deadline to file comments is July 15, 2005.

Comments may be filed electronically via the internet in lieu of paper. The Commission strongly encourages electronic filings. Documents filed electronically via the internet may be prepared in MS Word or Portable Document Format. To file the document, access the Commission's web site at www.ferc.gov, click on "e-Filing" and then follow the instructions on the screen. First-time users will have to establish a user name and password. The Commission will send an automatic acknowledgment to the sender's e-mail address upon receipt of comments. User assistance for electronic filing is available at 202-502-8258 or by e-mail to efiling@ferc.gov. Comments should not be submitted to the e-mail address.

All comments will be placed in the Commission's public files and will be available for inspection in the Commission's Public Reference Room at 888 First Street, N.E., Washington D.C. 20426, during regular business hours. Additionally, all comments may be viewed on the Commission's website at www.ferc.gov using the "eLibrary" link. For assistance, call toll free 1-866-208-3676, or for TTY 202-502-8659, or by e-mail to FERCOnlineSupport@ferc.gov.
