Docket No. ER05-1501-000

ERRATA NOTICE

(December 5, 2005)

On December 1, 2005, the Commission issued a Notice of Technical Conference Agenda in the above-docketed proceeding. The second full paragraph of the notice stated that the Commission would offer a free web cast of the event. By this notice, the Commission is deleting that paragraph from the notice. Accordingly, none of the services mentioned in the paragraph will be offered at the December 7th conference.
