

UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

South Carolina Electric & Gas Company

Project No. 516

NOTICE OF PUBLIC MEETINGS AND SITE VISIT FOR SALUDA  
HYDROELECTRIC PROJECT

(April 10, 2006)

The Federal Energy Regulatory Commission (Commission) hereby gives notice that a member of its staff will attend two public meetings to discuss the relicensing of the Saluda Hydroelectric Project No. 516. The times and locations of these meetings, which are open to the public, are as follows:

Date: April 20, 2006

Times: 9:00 a.m. to 12:00 noon and 6:00 to 9:00 p.m. (EST)

Place: Saluda Shoals Park

Address: 5605 Bush River Road, Columbia, South Carolina 29212

In addition, Commission staff, along with representatives of South Carolina Electric & Gas Company (South Carolina Electric), will participate in a site visit of the Saluda Dam and Powerhouse, as well as Lake Murray, on April 19, 2006. All participants should meet at the Saluda Hydro Powerhouse at 12:30 p.m. for the tour of the Saluda Dam and Powerhouse, and at Pine Island at 2:00 p.m. for the tour of Lake Murray. Participants should be prepared to provide their own transportation. Those individuals planning to participate in the site visit should notify William Argentieri of South Carolina Electric at (803) 217-9162 of their intent on or before April 14, 2006.

Please contact Allan Creamer at (202) 502-8365, or via e-mail at [allan.creamer@ferc.gov](mailto:allan.creamer@ferc.gov), with questions or for additional information.
