NOTICE OF TECHNICAL CONFERENCE

(August 25, 2006)

On Wednesday, September 13, 2006, at 9:00 am (EDT), staff of the Office of Energy Projects will convene a cryogenic design and technical conference regarding the proposed Bradwood Landing LNG import terminal. The cryogenic conference will be held at the Sheraton Portland Airport Hotel located at 8235 NE Airport Way in Portland, Oregon.

In view of the nature of critical energy infrastructure information and security issues to be explored, the cryogenic conference will not be open to the public. Attendance at this conference will be limited to existing parties to the proceeding (anyone who has specifically requested to intervene as a party) and to representatives of interested federal, state, and local agencies. Any person planning to attend the September 13, 2006, cryogenic conference must register by close of business on Tuesday, September 12, 2006. Registrations may be submitted either online at <http://www.ferc.gov/whats-new/registration/cryo-conf-form.asp> or by faxing a copy of the form (found at the referenced online link) to 202-208-0353. All attendees must sign a non-disclosure statement prior to entering the conference. Upon arrival at the hotel, check the reader board in the hotel lobby for venue. For additional information regarding the cryogenic conference, please contact Terry Turpin at [terry.turpin@ferc.gov](mailto:terry.turpin@ferc.gov) or 202-502-8558.
