

FEDERAL ENERGY REGULATORY COMMISSION

Filing Applications for Permits to  
Site Interstate Electric Transmission Facilities

Docket No. AD07-9-000

NOTICE OF WORKSHOPS  
ON THE ELECTRIC TRANSMISSION SITING RULE

(January 26, 2007)

The Office of Energy Projects (OEP) will host a series of workshops on Order No. 689, the final rule for Regulations for Filing Applications for Permits to Site Interstate Electric Transmission Facilities which was issued on November 16, 2006, effective February 2, 2007.<sup>1</sup> Order No. 689 stated, in paragraph 1, that the Commission would convene conferences to assist stakeholders in understanding the implementation of this rule.

The Commission staff will be conducting the workshops and the date, time and locations are described below. The workshops are free of charge and are open to all interested stakeholders. We are inviting federal agencies, state and local agencies, tribes, non-governmental organizations, and other interested stakeholders.
