

UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

Conference on Competition  
In Wholesale Power Markets

Docket No. AD07-7-000

SECOND SUPPLEMENTAL NOTICE OF CONFERENCE

(February 26, 2007)

As announced in the Notice of Conference issued on January 8, 2007 and the Supplemental Notice of Conference on February 9, 2007, the Federal Energy Regulatory Commission (Commission) will hold the first in a series of conferences on February 27, 2007, to examine the state of competition in wholesale power markets. The first conference will be held from 9:00 am to 4:00 pm (EST) at the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in the Commission Meeting Room. All interested persons are invited to attend, and registration is not required.

The final agenda for this conference, with a list of participating panelists, is attached. In order to allot sufficient time for questions and responses, each speaker will be provided with eight (8) minutes for prepared remarks. Following the conference, any interested person will be permitted to file written comments in the above docket on or before March 13, 2007.

Transcripts of the conference will be immediately available from Ace Reporting Company (202-347-3700 or 1-800-336-6646) for a fee. They will be available for the public on the Commission's eLibrary system seven calendar days after FERC receives the transcript.

A free webcast of this event will be available through [www.ferc.gov](http://www.ferc.gov). Anyone with Internet access who desires to view this event can do so by navigating to [www.ferc.gov](http://www.ferc.gov)'s Calendar of Events and locating this event in the Calendar. The event will contain a link to its webcast. The Capitol Connection provides technical support for the free webcasts. It also offers access to this event via television in the DC area and via phone bridge for a fee. If you have any questions, visit [www.CapitolConnection.org](http://www.CapitolConnection.org) or contact Danelle Perkowski or David Reininger at 703-993-3100.

**Agenda for Conference on Competition in Wholesale Power Markets**  
February 27, 2007

**Welcome Remarks:** **9:00 a.m. – 9:10 a.m.**

**Panel 1: The Origins of Electric Industry Competition and Restructuring** **9:10 a.m. – 11:00 a.m.**

The Commission invites panelists to discuss any or all of the following issues:

- Why the federal government and many states supported greater competition in the generation sector in the 1980s and 1990s (e.g., reduced barriers to entry, changes in technology, inefficiencies of central planning/monopoly provision of generation service).
- The primary objectives of competition in the generation sector (e.g., more choices for consumers, more efficient prices, better incentives for demand response and investing in new infrastructure and technology).
- How markets and regulation have performed in meeting these objectives over the past 10 years.
  - What are the principal successes?
  - What are the principal disappointments?

Panelists:

- Paul L. Joskow, Massachusetts Institute of Technology
- Phil Sharp, Resources for the Future
- Linda G. Stuntz, Stuntz, Davis, & Staffier, P.C.
- William L. Massey, Covington & Burling LLP

**Panel 2: Today's Challenges in Strengthening Organized Markets** **11:15 a.m. – 1:15 p.m.**

The Commission invites panelists to discuss any or all of the following issues:

- The most significant challenges facing wholesale competition in organized markets today, such as:
  - The ability to attract new investment
  - The need to send accurate price signals
  - The availability of long-term contracts
  - Transmission congestion
  - The need for fuel diversity and renewables
  - The need for energy efficiency and demand response
  - The benefits and drawbacks of generation or transmission divestiture
- Which concerns should be given the highest priority and which reforms are appropriate to address them?

Panelists:

- The Honorable Erin M. O’Connell-Diaz, Commissioner, Illinois Commerce Commission
- Elizabeth A. “Betsy” Moler, Exelon Corporation
- Gordon van Welie, ISO New England Inc.
- Roy Thilly, Wisconsin Public Power, Inc.
