NOTICE OF TECHNICAL CONFERENCE

(April 20, 2007)

On Tuesday, May 8, 2007, at 9:00 am (EDT), staff of the Office of Energy Projects will convene a cryogenic design and technical conference regarding the proposed Sparrows Point import terminal. The cryogenic conference will be held in the Homewood Suites at Baltimore/Washington International Airport. The hotel is located at 1181 Winterson Road, Linthicum, Maryland, 21090. For Homewood Suites details call 410-684-6100.

The conference will review the design of the LNG storage tanks and facility, instrumentation and controls, hazard detection and controls, spill containment, geotechnical topics, and other issues related to the operation of the proposed facility. Issues related to environmental impacts and LNG vessel transit are outside the scope of the conference.

In view of the nature of critical energy infrastructure information and security issues to be explored, the cryogenic conference will not be open to the public. Any person planning to attend the May 8th cryogenic conference must register by close of business on Monday, May 7, 2007. Registrations may be submitted either online at <https://www.ferc.gov/whats-new/registration/cryo-conf-form.asp> or by faxing a copy of the form (found at the referenced online link) to 202-208-0353.
