

UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

Santa Felicia Hydroelectric Project  
United Water Conservation District

P-2153-012 – CA

NOTICE OF TELECONFERENCE

(November 27, 2007)

- a. Date and Time of Meeting: Friday, December 14, 2007, 10:00 am to 12:30 pm (PST).
- b. Place: By copy of this notice we are inviting all interested parties to attend a teleconference from their location.
- c. FERC Contact: Kenneth Hogan, (202) 502-8434: [Kenneth.Hogan@ferc.gov](mailto:Kenneth.Hogan@ferc.gov).
- d. Purpose of the Meeting: On November 9, 2007, the National Marine Fisheries Service (NMFS) filed a draft Biological Opinion (BO) which provides a jeopardy opinion on the staff alternative for the licensing of the 1.4 MW Santa Felicia Hydroelectric Project. Pursuant to 50 CFR §402.14(g), Commission staff will be meeting with the NMFS and the United Water Conservation District to discuss the basis for the BO's conclusion and to refine the reasonable and prudent alternative.
- e. All local, state, and federal agencies, and interested parties, are hereby invited to listen in on the teleconference. The phone number and passcode to the teleconference will be provided upon a request made by interested parties. Please make that request to Kenneth Hogan via e-mail at: [kenneth.hogan@ferc.gov](mailto:kenneth.hogan@ferc.gov) NO LATER THAN close of business Monday, **December 10, 2007**.

Kimberly D. Bose  
Secretary
