UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Before Commissioners: Jon Wellinghoff, Acting Chairman;
Sudeen G. Kelly, Marc Spitzer,
and Philip D. Moeller.

Southeast Gas Storage, LLC

Docket No. CP08-418-001

ORDER DENYING REHEARING

(Issued February 18, 2009)

1. On December 18, 2008, the Commission issued an order granting Southeast Gas Storage, LLC a certificate of public convenience and necessity authorizing the construction and operation of a natural gas storage facility and associated facilities (Black Warrior Storage Project) in Monroe and Lowndes Counties, Mississippi.¹ On January 18, 2009, Marvin Neal and family filed a request for rehearing of that order.
2. The request for rehearing generally complains that Southeast did not provide Marvin Neal and family with proper notice of the proposed project and never tried to negotiate fair compensation for use of their land.
3. The issues raised on rehearing were fully considered in the underlying order.² The request for rehearing presents no authority, fact or argument sufficient to alter the determinations made in that order. Accordingly, the request for rehearing is denied.

The Commission orders:

The request for rehearing is denied.

By the Commission. Commissioner Kelliher is not participating.
