Docket No. RM01-5-000

NOTICE OF TECHNICAL CONFERENCE

(March 9, 2010)

As has been previously noticed, in Order No. 714,<sup>1</sup> the Commission adopted regulations requiring tariff and tariff related filings to be made electronically starting April 1, 2010. One of the required electronic tariff filing's data elements is the *Type of Filing Code*.

Several technical conferences have been held to address issues related to the *Type of Filing Codes* as they will affect Natural Gas Act, Natural Gas Policy Act and Interstate Commerce Act pipelines as well as Federal Power Act Public utilities. Specifically, these meetings have addressed the tariff filing definitions used for electronic filing and the attachments that are required, in accordance with the Commission's regulations, for each tariff filing type.

Take notice that a final technical conference on *Type of Filing Codes* will be held to address specific issues related to Federal Power Marketing Authorities on March 16, 2010 from 2:00 pm – 3:30 pm EST. Teleconferencing will be available for the public. The meetings are open to the public. No preregistration or participation fee is required. The number for teleconferencing in these meetings will be posted on <http://www.ferc.gov/docs-filing/etariff.asp> and an RSS alert of the posting will be issued. The meeting will be held at the Commission's offices, 888 First Street, N.E., Washington, D.C. All interested persons are invited to participate by phone or in person.
