and Operations Conference

Docket No. AD09-11-000

SUPPLEMENTAL NOTICE OF PUBLIC CONFERENCE

(May 3, 2010)

As announced in the “Notice of Public Conference” issued on March 31, 2010, a public conference will be held on May 25, 2010, from 9:00 a.m. to 3:00 p.m. (EST) in the Commission Meeting Room at the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426. The conference will be open for the public to attend and advance registration is not required. Members of the Commission are expected to attend and participate in the conference.

The purpose of this conference is to explore issues related to efficiency measures on the interstate natural gas grid as well as waste heat recovery opportunities. This conference will also provide an opportunity for interested parties to express their views and suggestions regarding ongoing efforts at the Commission to promote efficiency measures.

A free webcast of this event is available through www.ferc.gov. Anyone with internet access who desires to listen to this event can do so by navigating to the Calendar of Events at www.ferc.gov and locating this event in the Calendar. The event will contain a link to its webcast. The Capitol Connection provides technical support for webcasts and offers the option of listening to the conference via phone-bridge for a fee.
