

XML Export of tariff record data interface

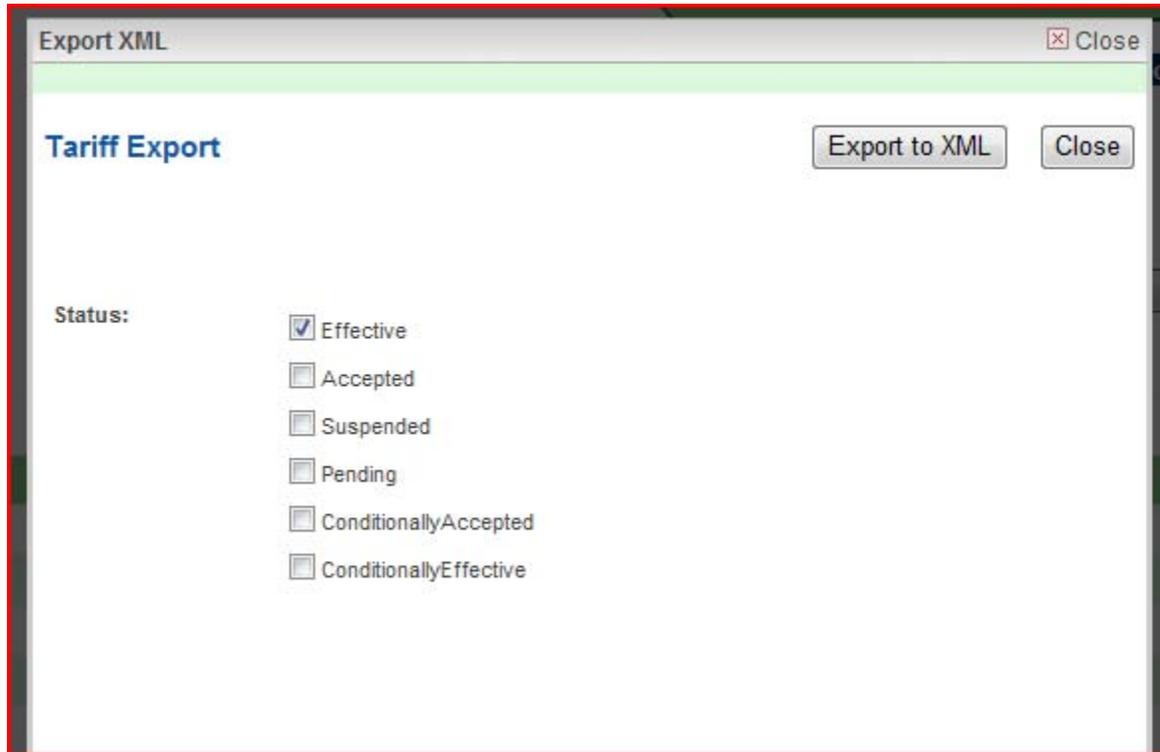

New column with a link to the XML function

The screenshot displays the eTariff web interface. At the top left is the Federal Energy Regulatory Commission logo. The main header is green with the text "eTariff". Below the header are two navigation tabs: "Tariff List" (active) and "Tariff Section Search". The "Tariff List" section contains search filters: "Tariff Program" (dropdown menu), "Company Name" (text input), "Tariff Status" (dropdown menu), and "Tariff Title" (text input). There are "Find Tariffs" and "All Tariffs" buttons. Below the filters is a table with the following data:

Company Name	Tariff Title	Program	Status	XML	Export
Dev E company	<a href="#">Catch22</a>	Electric TCS and MBR	Pending	<a href="#">XML</a>	<a href="#">RTE</a>
Dev K Incorporation	<a href="#">Sandbox Test</a>	NGPA Gas	Pending	<a href="#">XML</a>	<a href="#">RTE</a>
Dev O Group	<a href="#">Sandbox Test</a>	Oil	Pending	<a href="#">XML</a>	<a href="#">RTE</a>
Vengis Test Gas Company	<a href="#">NGA GAS Test</a>	NGA Gas	Pending	<a href="#">XML</a>	<a href="#">RTE</a>

An arrow points from the text "New column with a link to the XML function" to the "XML" column header in the table.

Select the tariff records to download:

The image shows a software dialog box titled "Export XML" with a "Close" button in the top right corner. Below the title bar, the text "Tariff Export" is displayed in blue. To the right of this text are two buttons: "Export to XML" and "Close". Underneath, the label "Status:" is followed by a list of six status options, each with a checkbox:

- Effective
- Accepted
- Suspended
- Pending
- ConditionallyAccepted
- ConditionallyEffective
