

136 FERC ¶ 61,167  
UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

North American Electric Reliability Corporation

Docket No. NP11-184-000

NOTICE

(September 9, 2011)

Take notice that the Commission will not further review, on its own motion, the following Notice of Penalty<sup>1</sup>:

<u>Docket No.</u>	<u>Filing Date</u>	<u>Registered Entity</u>
NP11-184-000	May 26, 2011	Unidentified Registered Entity

By direction of the Commission.

Nathaniel J. Davis, Sr.,  
Deputy Secretary.

---

<sup>1</sup> The statutory deadline for the Commission to act on this Notice of Penalty has been extended twice. First, on June 24, 2011, the Director of the Office of Enforcement extended the time for review of the Notice and issued data requests to NERC and RFC. Letter order from Norman C. Bay to NERC and RFC, June 24, 2011, *North American Electric Reliability Corp.*, 135 FERC ¶ 62,258 (2011). Second, the Commission subsequently further extended the statutory deadline for action on the Notice through September 9, 2011. *North American Electric Reliability Corp.*, 136 FERC ¶ 61,076 (2011).
