Zero Rate Reactive Power Rate Schedules

Docket No. AD14-1-000

NOTICE OF STAFF WORKSHOP

(November 26, 2013)

This notice establishes the location and date for the workshop directed by the Commission in *Chehalis Power Generating, L.P.*, Docket No. ER05-1056-007¹ and announced via notice in this proceeding on October 17, 2013. The workshop is intended to explore the mechanics of public utilities filing reactive power rate schedules for which there is no compensation. The workshop will be held on December 11, 2013 from 1:30 p.m. to 4 p.m. at the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426. The workshop will be led by Commission staff. A subsequent notice detailing the topics to be discussed will be issued in advance of the workshop.

The workshop is open to the public and there is no fee to attend. Although there is no requirement to register for the workshop, those attending are encouraged to pre-register by December 6, 2013 by filling out the on-line registration form located at: <https://www.ferc.gov/whats-new/registration/zero-rate-12-11-13-form.asp>.

The workshop will not be transcribed. However, there will be a free webcast of the workshop. The webcast will allow persons to listen to the workshop, but not participate. Anyone with Internet access who wants to listen can do so by navigating to the Calendar of Events at www.ferc.gov and locating the workshop in the Calendar. The Commission website's link to the workshop will contain a link to the webcast. The Capitol Connection provides technical support for the webcast. If you have questions, visit www.CapitolConnection.org or call 703-992-3100.²
