

Technical Conference on the Revisions to the Electric Quarterly Report (EQR) Filing Process

Docket Nos. RM01-8-000, RM10-12-000, RM12-3-000,
ER02-2001-000, AD12-12-000

March 26, 2014

Agenda

10:00 - 10:20 am Welcome and Opening Remarks

The purpose of this technical conference is to discuss the new EQR filing system using examples of both the XML and web interface approaches to provide useful information to parties ahead of the new filing system's April 1 "go-live" date.

- EQR filing deadlines
- EQR system overview

10:20 – 11:20 am Staff Presentation

Staff will demonstrate the new EQR filing system announced in Order No. 770, including user aids staff has made available to the public. Topics to be covered include:

- Resources for the new EQR system
 - January 22, 2014 Technical Conference
 - Technical User Documents
- FERC eRegistration and Company Registration requirements
- User Interface review

11:20 – 11:30 am 10-minute break (estimated start and finish times)

11:30 am – 12:30pm Staff Presentation (continued)

Staff will demonstrate common filing issues and questions such as validation rules, the revised data dictionary, and data formatting. Staff will also demonstrate post-filing data inquiries. Topics to be covered include:

- Pre-validation and validation errors
- Common mistakes
- Summary Reports and Data Access

12:30 – 1:00pm Questions and Answers

Staff will answer questions from on-site and webcast participants. Webcast participants should send questions to eqr@ferc.gov with "Tech Conference question" in the subject line. Questions should preferably include participants' name and company affiliation.
