Attention: David R. Cain, Assistant General Counsel

Reference: Petition to Amend Filing Requirement in Stipulation and Agreement

Dear Mr. Cain:

1. On July 3, 2014, pursuant to Rules 207(a)(5) of the Commission's Rules of Practice and Procedure,<sup>1</sup> Mojave Pipeline Company, L.L.C. (Mojave) filed a Petition to amend the settlement agreement filed with the Commission in Docket No. RP10-1082-000 (2010 Settlement).<sup>2</sup> As discussed below, the Commission approves the amendment to the 2010 Settlement which defers the deadline by which Mojave must file a general section 4 rate case from September 1, 2014, to November 1, 2014.

2. In its July 3, 2014 Petition, Mojave states that the amendment will allow the parties to conduct additional settlement discussions to attempt to resolve all issues involving Mojave's upcoming filing for a system-wide rate change under section 4 of the Natural Gas Act. Mojave explains that section 4.2 of the 2010 Settlement requires Mojave to file a section 4 rate case by September 1, 2014. Mojave requests that the Commission modify section 4.2 of the 2010 Settlement to extend the September 1, 2014

---

<sup>1</sup> 18 C.F.R. § 385.207(a)(5) (2013).

<sup>2</sup> On October 28, 2010, the Commission issued an order approving the 2010 settlement. *Mojave Pipeline Co. L.L.C.*, 133 FERC ¶ 61,093 (2010).

date, until November 1, 2014. Mojave states that it is making this request on behalf of all active parties to the settlement negotiations.

3. Public notice of Mojave's filing was issued on July 8, 2014. Interventions and protests were due on or before July 10, 2014. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2013)), all timely filed motions to intervene and any unopposed motion to intervene out-of-time filed before the issuance date of this order are granted. Granting late intervention at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties. No protests or adverse comments were filed.

4. The Commission finds that the proposed amendment is unopposed and will allow the parties to continue settlement negotiations for a period agreeable to all of them, consistent with the Commission's policy favoring settlements. Therefore, the 2010 Settlement is amended to provide that Mojave shall file a rate case no later than November 1, 2014.

By the direction of the Commission.

Nathaniel J. Davis, Sr.,  
Deputy Secretary.
