

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Transwestern Pipeline Company, LLC

Docket No. RP15-23-000

ORDER GRANTING SUSPENSION OF CERTAIN PROCEDURAL DATES AND
WAIVING ANSWER PERIOD

(Issued June 1, 2015)

1. On May 29, 2015, Transwestern Pipeline Company, LLC (Transwestern) filed on behalf of itself, the Commission Trial Staff, and all active parties to the proceeding, an unopposed motion for suspension of the procedural schedule and waiver of the answer period (the Motion).

2. The Motion states that the proceeding participants have reached a “comprehensive unanimous settlement in principle” that resolves all issues in this proceeding.¹ The Motion states that the proceeding participants anticipate filing an offer of settlement by June 19, 2015, and that if the settlement is not filed by that date, Transwestern will file a status report with the Presiding Judge on or before that date. Given that the Motion is unopposed and the current procedural schedule provides for certain testimony to be filed by June 4, 2015, the Motion requests that the answer period be waived and that it be adjudicated as soon as possible.

3. Based on the Motion’s representations, the answer period is hereby waived and all procedural dates are suspended except for the Track III procedural time standards established by the Chief Administrative Law Judge (hearing date, reply brief date, and initial decision date). The deadline for filing a final offer of settlement is June 19, 2015. If that deadline is not met, a status report must be filed by the proceeding participants on or before that date regarding the status of the settlement.

SO ORDERED.
