Attention: B. Michelle Willis

Reference: Amended Negotiated Rate Agreement

Ladies and Gentlemen:

On May 6, 2015, Enable Mississippi River Transmission, LLC (Enable) filed a revised tariff record¹ to reflect an amended attachment A to a Rate Schedule PALS negotiated rate agreement (TSA No. 5680) with Laclede Energy Resources, Inc. (Laclede). Enable requests waiver of the Commission's regulations necessary to allow the tariff record listed in Footnote No. 1 to become effective May 6, 2015. We grant waiver of the Commission's 30-day notice requirement and accept the tariff record listed in Footnote No. 1, effective May 6, 2015.

Specifically, the parties have a rate structure which includes a potential incremental payment which can be determined only following the close of the Service Month based on that prior month's activities. Enable states that the amendment reflects an incremental payment of \$513.67 that was calculated for the month of April 2015 for parking transportation service Enable provided to Laclede. Enable affirms that the TSA, as supplemented herein, does not deviate in any material aspect from the applicable Rate Schedule PALS Form of Service Agreement in its tariff.

Pursuant to Rule 214 (18 C.F.R. § 385.214 (2014)), all timely filed motions to intervene and any unopposed motion to intervene out-of-time filed before the issuance date of this order are granted. Granting late intervention at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties. No protests or adverse comments were filed.
