Suite 600
Washington, D.C. 20005

Attention: Wendy B. Warren, Esq.
Attorney for Ameren Services Company

Reference: Notice of Cancellation

Dear Ms. Warren:

On June 12, 2015, Ameren Services Company, on behalf of Ameren Illinois Company (Ameren), submitted a notice of cancellation of the interchange agreement between Ameren and MidAmerican Energy Company. Waiver of the 60 days prior notice requirements is granted pursuant to section 35.11 of the Commission's regulations.¹ The notice of cancellation² is accepted effective March 30, 2015, as requested.³

The filing was noticed on June 15, 2015, with interventions and protests due on or before July 6, 2015. None was filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to Rule 214 of the Commission's Rules of

¹ 18 C.F.R. § 35.11 (2014).

² Ameren Illinois Company, FERC FPA Electric Tariff, Rate Schedules and Agreements, [Interconnection Agreement, RS 106 - IA - IA/IL GAS & ELEC-IP, 1.0.0.](#)

³ It appears that contrary to the requirements of section 35.3 of the Commission's regulations, 18 C.F.R. § 35.3 (2014), Ameren failed to file its notice of cancellation in a timely manner. Ameren is reminded that it must submit required filings on a timely basis or face possible sanctions by the Commission.

Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against any applicant.

Sincerely,

Penny S. Murrell, Director
Division of Electric Power
Regulation – Central
