Subject: Information request regarding erosion at Black Butte Dam

Dear Mr. Schwartz:

On October 2, 2013, we wrote to you about the U.S. Army Corps of Engineers (Corps) letter dated August 25, 2014, regarding erosion on the north bank of the outlet channel at the Black Butte Project. On October 28, 2014, you responded stating that you were working with the Corps and that you were in the process of hiring a civil engineer and preparing plans for the required repairs. Could you please provide us with a status update on the development of the remediation plan within 30 days of the date of this letter.

The Commission strongly encourages electronic filing. Please file the requested information using the Commission's eFiling system at <http://www.ferc.gov/docs-filing/efiling.asp>. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov, (866) 208-3676 (toll free), or (202) 502-8659 (TTY). In lieu of electronic filing, please send a paper copy to: Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Washington, D.C. 20426. The first page of any filing should include docket number P-3190-023.

Thank you for your cooperation. If you have any questions concerning this letter, please contact me (202) 502- 6012 or by email at Rebecca.Martin@ferc.gov.

Sincerely,

Rebecca M. Martin
