Reference: Remove Expired Agreements and References from Tariff

Ladies and Gentlemen:

On July 1, 2015, Gulf South Pipeline Company, LP (Gulf South) filed tariff records¹ to remove certain negotiated rate agreements, non-conforming agreements, and capacity release agreements, and to revise the list of non-conforming service agreements on its tariff. Gulf South requests waiver, to the extent necessary, of the Commission's regulations to permit the tariff records to become effective on July 1, 2015. Waiver of the Commission's 30-day notice requirement is granted and the tariff records are accepted effective July 1, 2015 as requested.

Specifically, Gulf South proposes to remove from the "Negotiated Rate and Non-conforming Agreements" Volume in its tariff, certain negotiated rate agreements, non-conforming agreements, and capacity release agreements with negotiated rate provisions that have expired, and to reserve those sections for future use. In addition, Gulf South proposes to revise the list of non-conforming service agreements in Volume No. 1 of its tariff to remove references to agreements that have expired and to correct certain references to rate schedules.

¹ See Appendix.

Public notice of the filing was issued on July 2, 2015. Interventions and protests were due as provided in section 154.210 of the Commission's regulations (18 C.F.R. § 154.210 (2014)). Pursuant to Rule 214 (18 C.F.R. § 385.214 (2014)), all timely filed motions to intervene and any unopposed motion to intervene out-of-time filed before the issuance date of this order are granted. Granting late intervention at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties. No protests or adverse comments were filed.

This acceptance for filing shall not be construed as a waiver of the requirements of section 7 of the Natural Gas Act, as amended; nor shall it be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rate or service contained in your tariff; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against your company.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713 (2014).

Sincerely,

Nils Nichols, Director
