Attention: E. Adina Owen, Senior Counsel

Reference: Amendments to a Negotiated Rate Agreement

Ladies and Gentlemen:

On July 1, 2015, Gulf South Pipeline Company, LP (Gulf South) filed a revised tariff record<sup>1</sup> which contains an amendment to a negotiated rate agreement (Agreement No. 41618) with Florida Power and Light Company (FPL). The amended agreement with FPL adds an eligible supplemental receipt point and deletes a footnote related to a supplemental charge that is no longer applicable. Gulf South states that the amendment does not contain any material deviation from the form of negotiated rate agreement contained in its tariff. Gulf South requests the tariff records be approved effective July 1, 2015. We grant waiver of the Commission's 30-day notice requirement and accept the tariff record listed in the footnote to become effective July 1, 2015, as proposed.

Public notice of the filing was issued on July 2, 2015. Interventions and protests were due as provided in section 154.210 of the Commission's regulations (18 C.F.R. § 154.210 (2014)). Pursuant to Rule 214 (18 C.F.R. § 385.214 (2014)), all timely filed motions to intervene and any unopposed motion to intervene out-of-time filed before the issuance date of this order are granted. Granting late intervention at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties. No protests or adverse comments were filed.
