Boardwalk Storage Company, LLC

Docket Nos. CP11-50-000
CP11-50-001

ORDER VACATING CERTIFICATE

(Issued August 11, 2015)

1. On June 19, 2012, the Commission authorized Boardwalk Storage Company, LLC (Boardwalk) pursuant to section 7(c) of the Natural Gas Act (NGA)¹ to construct and operate a natural gas storage cavern (“Cavern 28”) at its existing Choctaw Hub storage facility in Iberville Parish, Louisiana, as well as an associated 13-mile, 30-inch diameter header pipeline header, two new electric driven compressor units, and related pipeline, measuring, and appurtenant facilities (collectively referred to as the “Cavern 28 Facilities”).²

2. Ordering Paragraph (C) of the 2012 Order required Boardwalk to complete the construction of the Cavern 28 Facilities and place them into service by June 19, 2015. On May 26, 2015, Boardwalk filed a request to vacate the certificate authorization granted in the 2012 Order, stating that due to a reduction in demand for storage services in the Gulf Coast region, it does not intend to construct the Cavern 28 Facilities at this time. Boardwalk requests that its certificate authorizations be vacated without prejudice to its right to file a new application if circumstances change.

¹ 15 U.S.C § 717(c) (2014).

² *PetroLogistics Natural Gas Storage, LLC*, 139 FERC ¶ 61,225 (2012) (2012 Order). On October 1, 2012, PetroLogistics Natural Gas Storage, LLC changed its name to Boardwalk Storage Company, LLC. See Letter from David Haag (Director of Rates for Boardwalk) to Kimberly D. Bose, Commission Secretary (May 9, 2013).

3. Accordingly, since Boardwalk does not intend to construct and operate the Cavern 28 Facilities, we will vacate the certificate issued in the 2012 Order.

The Commission orders:

The certificate authorization issued to Boardwalk in the 2012 Order in Docket Nos. CP11-50-000 and CP11-50-001 is vacated.

By the Commission.
