Dear Mr. Paul Korman, Attorney:

1. On November 1, 2016, Stingray Pipeline Co., L.L.C. (Stingray) filed to amend its April 9, 2012 Stipulation and Agreement (Settlement)¹ to permit Stingray to defer by three months the date that Stingray is required to make an NGA section 4 general rate case filing pursuant to the terms of the Settlement. Stingray represents that the active parties to the Settlement have agreed, or do not object, to the requested extension.
2. Public notice of the amended Settlement was issued on November 3, 2016, with comments due November 7, 2016. No comments were filed.
3. The Commission finds that the proposed amendment is unopposed and thus approves the amendment to the Settlement, consistent with the Commission's policy favoring settlements.

By direction of the Commission.
