FEDERAL ENERGY REGULATORY COMMISSION

Natural Gas Interchangeability

Docket No. PL04-3-000

AGENDA FOR MAY 17, 2005 TECHNICAL CONFERENCE

(May 10, 2005)

On April 13, 2005, the Federal Energy Regulatory Commission issued a notice announcing its intention to hold a technical conference to receive further comment on the Natural Gas Council's (NGC) white papers on natural gas interchangeability and non-combustible end use and on liquid hydrocarbon drop out in natural gas infrastructure. The white papers were filed in the above-captioned docket on February 28, 2005. The technical conference will be held in Hearing Room 1 at the Commission's Washington, D.C. offices, beginning at 9:30 a.m. (EST), on Tuesday, May 17, 2005.

The agenda for the technical conference is set forth in Attachment A to this notice. Please note that this agenda is subject to change.
