

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

West Valley Hydroelectric Project

Project No. 12053-001

NOTICE OF MEETING

(May 16, 2005)

The Commission is scheduled to meet with representatives of the Pit River Tribe involving the West Valley Hydroelectric Project (Project No. 12053-001) in Alturas, California, on Thursday, June 16, 2005.

Members of the public and intervenors in the referenced proceedings may attend this meeting; however, participation will be limited to tribal representatives and the Commission representatives. If the Tribe decides to disclose information about a specific location which could create a risk or harm to an archeological site or Native American cultural resource, the public will be excused for that portion of the meeting when such information is disclosed.¹ If you plan to attend this meeting, please contact Susan O'Brien at the Federal Energy Regulatory Commission by June 9, 2005, for information on the time and location of this meeting. She can be reached at 202-502-8449. The meeting will be transcribed by a court reporter, and transcripts will be made available by the Commission after the meeting.

Magalie R. Salas
Secretary

¹ Protection from public disclosure involving this kind of specific information is based upon 18 CFR § 4.32(b)(3)(ii) of the Commission's regulations implementing the Federal Power Act.
