

Order Nos. 661¹ and 2003-C.² They further request that they be allowed to submit a single filing containing these two compliance filings, as well as a third compliance filing – the compliance filing due in response to the Commission's order of July 1, 2005³ conditionally accepting the Movants' filings submitted in response to Order No. 2003, which is also due on August 30, 2005. Movants argue that the extensions and consolidation will allow for greater coordination and a more efficient drafting effort.

2. Upon consideration, notice is hereby given that an extension of time to comply with the Commission's Order Nos. 661 and 2003-C is granted to (and including) August 30, 2005, as requested. Further, the Movants may submit a single filing that includes the three compliance filings now due on August 30, 2005.

By the Commission.
