## CERTIFICATION

I hereby certify that, in my opinion, Commission deliberations scheduled for September 15, 2005, concerning non-public investigations and inquiries may properly be closed to public observation. Discussions may involve matters concerning the security of regulated facilities; the disclosure of trade secrets or financial information or other privileged or confidential information obtained from a person; the possible initiation of administrative proceedings the premature disclosure of which could frustrate implementation of proposed agency action, or pertain to the agency's participation in a civil action; or other records and information the premature disclosure of which would endanger the life or physical safety of law enforcement personnel.

The relevant exemptions on which this certification is based are set forth in 5 U.S.C. §§ 552b(c)(2),(4),(7)(A),(7)(F),(9)(B) and (10), and 18 C.F.R. §§ 375.205(a)(2),(4),(7)(i),(7)(vi), (9)(ii), and (10).

DATED: September 8, 2005
