NOTICE OF TECHNICAL CONFERENCE

(October 3, 2006)

On Thursday, October 26, 2006 at 8:00 am (CDT), staff of the Office of Energy Projects will convene a cryogenic design and technical conference regarding the proposed Cameron LNG expansion project. The cryogenic conference will be held at the Best Suites Lake Charles, 401 Lakeshore Drive, Lake Charles, LA.

In view of the nature of critical energy infrastructure information and security issues to be explored, the cryogenic conference will not be open to the public. Attendance at this conference will be limited to existing parties to the proceeding (anyone who has specifically requested to intervene as a party) and to representatives of interested federal, state, and local agencies. Any person planning to attend the October 26, 2006, cryogenic conference must register by close of business on Tuesday, October 24, 2006. Registrations may be submitted either online at <https://www.ferc.gov/whats-new/registration/cryo-conf-form.asp> or by faxing a copy of the form (found at the referenced online link) to 202-208-0353. All attendees must sign a non-disclosure statement prior to entering the conference. Upon arrival at the hotel, check the reader board in the hotel lobby for venue. For additional information regarding the cryogenic conference, please contact Thach Nguyen at [thach.nguyen@ferc.gov](mailto:thach.nguyen@ferc.gov) or 202-502-6364.
