Quoddy Bay LNG, L.L.C.

Docket Nos. CP07-35-000
CP07-38-000

NOTICE OF FERC STAFF ATTENDANCE

(June 27, 2007)

On July 12, 2007, staff of the Office of Energy Projects (OEP) will meet with representatives of Quoddy Bay LNG, L.L.C. (Quoddy Bay) to discuss the new LNG vaporizer technology Quoddy Bay proposes to use and changes to the environmental information for the Quoddy Bay LNG Project.

The meeting will be held on Thursday, July 12, 2007 at 2:30 pm at the Commission Headquarters in Washington, D.C.

Information concerning any changes to the above may be obtained from the Commission's Office of External Affairs at (202) 502-8004 or toll free at 1-(866) 208-FERC (208-3372).
