Docket No. IS08-405-000

NOTICE OF EXTENSION OF TIME FOR TECHNICAL CONFERENCE

(November 18, 2008)

On November 14, 2008, Dixie Pipeline Company (Dixie) and the protesting parties<sup>1</sup> in the above-captioned proceeding (Joint Movants) filed a Joint Motion to Extend Date for Technical Conference.

In the order issued August 22, 2008,<sup>2</sup> the Commission established a technical conference in this proceeding. By notice issued October 3, 2008, the technical conference was scheduled for 9:00 a.m. on Thursday, October 23, 2008, at the Commission's offices. By further notice issued October 22, 2008, the conference was postponed at the request of Dixie and the protesting parties until November 20, 2008, at 9:00 a.m. at the Commission's offices.

Joint Movants state that the parties are continuing to work toward a settlement of the issues in this proceeding and that they believe an additional extension of time for the technical conference will benefit the ongoing discussions. Joint Movants ask the Commission to further extend the date of the technical conference and agree to report their progress before December 19, 2008. Dixie states that, if the parties have not resolved the matter before that date, it will withdraw FERC Tariffs No. 92 and 93 and refile them at a later date to allow the parties time to confer.

<sup>1</sup> The protesting parties include Dow Hydrocarbon and Resources LLC; CITGO Petroleum Corporation; ConocoPhillips Company; Targa Midstream Services Limited Partnership and Targa Louisiana; and Crosstex NGL Marketing, L.P. and Crosstex Processing Services, LLC. Joint Movants state that the following intervenors and/or commenters do not oppose the motion: National Propane Gas Association, FerrellGas, L.P., BP Products North America Inc., and the South Carolina Department of Labor, Licensing and Regulation, Liquefied Petroleum Gas Board. Dixie further states that it informed an additional intervenor, Petrologistics Olefins LLC, of the instant motion, but as of the time it filed the motion, Dixie had not received a response.
