4 MR. PUGLISI: I'd like to welcome everyone

5 to the Swan Falls scoping meeting for FERC Project
6 No. 503-048. It's now 7:33 p.m. And it looks
7 like the only people represented tonight are FERC
8 representatives, Idaho Power representatives, and
9 Idaho Department of Parks and Recreation.

10 So therefore, I think what I would like
11 to do since all of us know each other, I'd like to
12 have everyone's name on the record if you attended
13 tonight. So I'd like to just go around the room,
14 just introduce your name and who you're with, and
15 we'll take it from there. Try to speak loud so we
16 can get the name in the microphone.

17 MS. HALL: I'm Ellen Hall with The Louis
18 Berger Group, contractor to FERC.

19 MR. MYERS: Ralph Myers, Idaho Power.

20 MR. WOOD: Dwayne Wood, Idaho Power.

21 MS. LUCACHICK: Mary Lucachick, Idaho
22 Department of Parks and Recreation.

23 MR. DUMAS: Brett Dumas, Idaho Power.

24 MR. CHANDLER: Jim Chandler, Idaho Power.

25 MR. NOLAND: Fred Noland, Idaho Power.

15 MR. PUGLISI: Okay. Thank you very much.
16 That's everyone here.
17 Does anyone have any comments tonight
18 they want to make? We're going to have a meeting
19 tomorrow morning. Just wanted to know if anyone
20 had any comments they wanted to bring up this
21 evening that we need to discuss that we can't do
22 tomorrow morning? Just wondering is everyone
23 going to be here tomorrow morning? Okay. That's
24 an affirmative that everyone's going to be here.
25 Therefore, it's now 7:35, and we are

♀

5

1 officially going to close the meeting for tonight.
2 Thank you all for attending.
